

Priory Lodge Health Care Plan

Our healthcare plan will provide your pet with:

- A full clinical examination with a veterinary surgeon, to include:
 - General health, Eyes, Ears, Weight, Claws, Dental check and Anal glands
- Annual vaccination (excluding kennel cough and rabies)
- Worming treatments sufficient for 12 months
- Flea and tick treatments sufficient for 12 months
- Veterinary advice and treatment planning
- 10% of all Hills diets and pet accessories

Please hand this voucher in at reception BEFORE seeing the veterinary surgeon for your first appointment with the following details completed below:

Client's Name: _____

Address: _____

Post Code: _____

Email Address: _____

Pet's Name: _____

Breed: _____

Pet's Date of Birth: _____

Terms and Conditions

The benefits under this scheme are not transferable. Refunds can not be given for medicines/treatments supplied in the event that the animal is rehomed, lost or dies, nor if you move house and are no longer able to take advantage of services offered as part of a package. Benefits of the scheme including discounted food sales can not be used in conjunction with any other offer, including manufacturer's offers of free stock with purchases.

The products which the Practice has determined are most appropriate for this scheme are those which are best suited to provide the optimum health benefits for your pet, family and the community generally. There is some scope for client's preference for particular products, which can be discussed with the veterinary surgeon at the consultation.
